

# Virtual Events at ICERM

This section of the wiki provides an overview of software tools, best practices, and general logistics for running a successful virtual event at ICERM.

## Virtual Collaboration Tools

[Virtual Collaboration Tools](#): standard applications used and supported by ICERM for virtual collaboration and communication during programs.

## Best Practices

[ICERM's Best Practices for Virtual Events](#): principles to keep in mind when running a virtual event.

## Session Formats

[Virtual Workshop Session Formats](#): an overview of sessions that typically run during an ICERM workshop, and how to structure them for success.
